Fighting Children's Cancer

Delta Delta Delta's collegiate and alumnae members raised \$5.6 million during the 2012-2013 academic year for St. Jude Children's Research Hospital.

September is National Childhood Cancer Awareness Month. According to the American Childhood Cancer Organization, approximately 13,000 children under the age of 21 are diagnosed with cancer every year and approximately one-fourth of them will not survive the disease. Delta Delta Delta has pledged its loyalty to St. Jude Children's Research Hospital in efforts to support their fight against cancer and other pediatric catastrophic diseases through research and treatment. Our fraternity is in the middle of their \$15 million in 5 years campaign. If you use social media platforms, you may have seen #15in5. From Instagram to Pinterest, everyone is showing their support of the campaign.

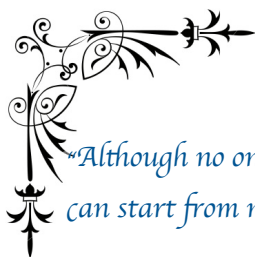

Our Chapter is continuing our small role in helping St. Jude Children's Research Hospital by participating in the St. Jude Give thanks. Walk. This is its sophomore year in Cleveland area. Ali Lukacsy is our team Captain this year. If you are interested in walking, please contact Ali for more details, or visit our website for a link to our team page (Delta Delta Delta Cleveland Alumnae Chapter). The Walk is Saturday, November 23rd.

Comfort For the Soul

Our chapter is committed to continuing our annual donation of pillowcases for the children of MetroHealth hospital. The pillowcases are a huge hit around the holidays. They help make each child's hospital stay a little more cheery.

Our goal is to make 50 pillowcases this year. This is a hefty goal but in the past we've come short by 5-10. Kathy Woolner will deliver the pillowcases after Founders' Day. Please be sure to look for information on when cut and tie sessions will take place in the upcoming months.

CAPA Corner**Celebrate 100 years of Cleveland Panhellenic Sisterhood!**

Even before the National Panhellenic Conference issued its Vision Statement - *Advancing the Sorority Experience Together* – Cleveland's Panhellenic alumnae have always united in inter-fraternity

friendship and collaboration, supported collegiate and alumnae scholarship, promoted awareness of current trends, and fostered philanthropic service. NPC has recognized CAPA's accomplishments many times over the years. Most

recently, **CAPA received a Citation of Merit for 2012-2013.**

This year CAPA has dedicated itself to actively embrace social media, arrange All-Panhel events, and support the Community Women's Shelter. Most excitingly, we will celebrate our **100th anniversary** at the Spring Luncheon in May. In honor of this momentous occasion, we will return to the elegantly restored **Silver Grille**, where many past luncheons were held during Higbee's heyday. More details will be announced in spring, but you won't want to miss this special event, so be sure to save **May 17th** on your calendar!

**From the President's Pen**

Please let me introduce myself. I am Kathy Woolner, President of the Tri Delta Cleveland Alumnae Chapter. Graduating from Jacksonville University in 1990, I have lived in Cleveland for six years with my husband and 10-year old son. I work as a customer service manager for a baseball website and I volunteer with the National MS Society. I enjoy Indians baseball, ethnic food, reading, watching "Game of Thrones," country and 80's music, and cooking. I have moved 11 times in life, mostly on the East coast, Guam and California. Since college, Tri Delta has helped me make each new place feel like home by connecting with women who share a love for Tri Delta.

It is my pleasure to personally invite you to join us in another fun and exciting year with the Tri Delta Cleveland Alumnae Chapter. Sharing adventures during the year, the calendar includes a mix of exploring local places, gathering in member's homes, volunteering for charitable organizations, going out on the town, talking at book club, and more. There are many wonderful invitations coming to you for the 2013-14 year with your Tri Delta sisters. I hope you'll join us and build more Tri Delta friendships!
